Serving the World Since 1920

Dear Community Supporter,

On **August 4, 2018**, Zeta Phi Beta Sorority, Inc., *Beta Psi Zeta Chapter*, will host **“Baby Steps Walk”** fundraising event at the Fontenelle Park Pavilion, 4405 Fontenelle Blvd, from 8:15-10 A.M. “Baby Steps Walk” is a one-of-a-kind event to support our local **Stork’s Nest** sites. The Stork’s Nest is a cooperative project of Zeta Phi Beta Sorority, Inc. and the March of Dimes Foundation, in existence for more than forty years. Stork’s Nest aims to increase the number of low-income women receiving early and regular prenatal care to prevent cases of low birth-weight, premature births, and infant deaths.

The funds raised will be donated to the local nest site at ***The Nebraska Medical Olson Center for Women’s Health***. It is imperative that we target low-income women with this program designed to promote prenatal care participation and encourage healthy behaviors during pregnancy through two components-incentives and education. Stork’s Nest clients “earn” points toward incentives such as maternity or baby care items through a variety of positive, health-promoting activities: attending prenatal visits, participating in prenatal education classes, stopping at-risk behaviors such as smoking cigarettes, consuming alcoholic beverages, and reducing stress.

You can make the Stork’s Nest Walk a success by Registering Early June 25 – July 25, 2018:

- 1. Organize & Register your Team of 10 for \$90 before July 26th.**
- 2. July 26 –Aug. 4 = Team of 10 for \$100 or \$10 for individuals.**
- 3. Make a cash donation of \$250 or more for our Stork’s Nests.**

***Please make checks payable to Nebraska Sigma Zeta Education Foundation, Inc. or (N.S.Z.E.F.)**

By donating to the Stork’s Nest you will receive the following additional benefits:

- * A Tax-deductible donation*
- * Promotion of positive behaviors in demographically diverse communities*
